Groups: approx 4.15 each day. On final day following Groups, order will be Champion Stakes final, POTY final, Best in Show, Best Puppy in Show and Best Veteran in Show.

SORRY: BENCH CAGES FOR TOYS ARE NOT PROVIDED AT THIS SHOW

IMPORTANT INFORMATION FOR EXHIBITORS AT SOUTHERN COUNTIES

Exhibitors will find that their benches are close to their rings (**so bench numbers do not run consecutively**) and can be accessed directly from the roadways running through the tents. Opposite the benches will be the wet weather rings which open out of the tents onto the main showground the whole being bounded by the trade stands. The committee is anxious to introduce continuing improvements and any comments and suggestions from exhibitors and trade stand holders will be carefully considered after the show - please send your comments to angelacavill@btconnect.com

DIRECTIONS – The showground is off the M4/A43 Junction 13

The Newbury Showground is adjacent to this junction – follow the brown direction signs to Newbury Showground. There are some roadworks on this section of the M4 so allow plenty of time to get to the show.

THE SHOWGROUND

You will be directed to the appropriate car park. Exhibitors will be directed to area as close as possible to the rings. Priority Parking, Members, Judges and Officials should follow the signs to their parking area. Disabled Exhibitors parking (Blue Badge only) is close to the toilets BUT less able exhibitors should check their ring position to ensure they park in the most convenient place. **PLEASE make sure that your car park label is clearly visible in your windscreen so you can be directed to the right car park quickly.** Passes will not be required on entry but will be checked on exit. Please refer to the map overleaf for the location of your rings. It will help if you familiarise yourself with the layout before you arrive at the show.

Southern Counties Canine Association fully complies and carries out the recommendations of the Kennel Club if dogs are left in vehicles.

COMFORT ZONE

There are two blocks of permanent toilets on the Newbury site. For Exhibitors the most convenient one is at the south east corner of the showground as shown on the map overleaf.

ON EXIT

You will be required to have your passes available at the exit **AS THEY WILL BE CHECKED.** All dogs on the showground **MUST** have a pass. Exhibitors will have passes for their dogs and any entered Not For Competition, but all others will need to report to the administration tent for the dogs to be registered as spectators dogs and to receive an exit pass.

The Committee of the Association hope that you have an enjoyable day and would be pleased to receive any comments about the show (there will be a suggestion book in the Secretary's office) to help us improve it in future years.
